## Happy New Year!

2014 has been a busy and exciting year for our family business and our family! Bullseye Packaging is working hard on many new pack formats, installing new equipment, and continues to grow within the Western Canadian market year over year since we started 7 years ago!

Our family has been busy too, with some special medical trips to Portland, OR and Philadelphia, PA this year. Everyone is doing great and looking forward to the many adventures coming in 2015.

From our family AND our family business, we wish you a great, safe holiday season and a Happy New Year!

## Welcome Aboard Chad Coleman!

Recently, we were fortunate to bring on our new Inside Sales Rep, Chad Coleman. He comes to us with a strong background in sales and effective communication.

He is a great fit within our company family culture and we're happy to have him on our team.

You may receive a call from him in the near future to check on the work we have been doing, or to check on any new projects that we can support you with.

Please join us in welcoming Chad to our family of amazing staff.
