ANNOUNCEMENT

Merry Christmas!

"Merry Christmas" from our small family business to all our friends this holiday season.

We have had another great and growing year! We have enjoyed working with new pack formats from beer advent calendars to unique retail displays. We have welcomed new clients to both our BC and Alberta operations as well.

The year has gone by quickly and we are poised for an exciting 2017. We continue to expand our capacity to meet the growing needs of Canada West. Most of our growth is by referral, so please keep spreading the news of what we have done for you!

Recently, our Calgary operation achieved licensing for all domestic liquor and beer products. We look forward to where this will take us and hope you help spread the news!

We thank our tireless vendors for supporting our efforts as we provide a unique and quality service to our clients. From last minute customs orders to consistent quality and performance, we appreciate all you do!

We wish everyone a safe holiday season and all the best this coming New Year. Thank you for making Bullseye Packaging a success! We look forward to serving your needs in 2017 and beyond!
