ANNOUNCEMENT

Fresh Website!

With the start of 2019 it seems fitting to revamp our online presence to create a better customer experience. With 2019 we will be making consistent updates to the website and making sure that we are effectively creating a space to celebrate our clients successes throughout the year!

Check out the changes here: <https://www.bullseyepackaging.ca>

LinkedIn!

We are also going to be far more active across our LinkedIn accounts with weekly, monthly, and quarterly updates on our work and our clients! We want to make an effort to be more vocal about the work we are doing and how we are doing it so that there will be less of a disconnect between us and you!
